SERVICE · COMMITMENT · TRUST

Service, Commitment and Trust, is more than our slogan; it embodies what the Unitrin Career Agency Companies are all about. These words reflect how seriously we take our jobs as the unrivaled leader of the home service insurance business. Millions of families count on us to protect them from life's uncertainties, and we are passionate about doing it well.

Something we take equally seriously is our role in the community. Today, companies are not judged on profit margins and shareholder returns alone. They are also evaluated on being good corporate citizens and how they handle their roles in the community. I am proud to say that the Unitrin Career Agency Companies have been giving back to the neighborhoods and people we serve long before it was in vogue or expected.

We could not be the most successful home service insurance business in the United States without taking care of our customers. And this goes beyond the day-to-day work inherent in our profession. Throughout our Corporate Responsibility Report, you will find examples of how our operating principles of Service, Commitment and Trust are being effectively applied in exciting and life-changing ways in the communities where we live and work.

We certainly could not make the impact we are seeking without the help of our fantastic associates. I would like to take this opportunity to thank the men and women of the Unitrin Career Agency Companies for their efforts. Your work and personal commitment to your profession and our policyholders is appreciated.

I hope you find the information contained in this report to be of value, and on behalf of our 3,500 plus associates we look forward to continuing to make a difference for years to come.

Sincerely,

A handwritten signature in black ink that reads "Edward J. Konar".

Edward J. Konar
President,
Unitrin Career Agency Companies

Service

The cornerstone of our Company is providing each of our policyholders a high level of individual attention and service. The frequent nature of the services we provide differentiates us in the market place and keeps our policyholders and their families doing business with us for generations. Our agents' activities are supported by a Home Office staff dedicated to prompt and courteous service. When we refer to ourselves as a Home Service Insurance organization we are highlighting the importance we place on providing outstanding service in all that we do for our policyholders.

Commitment

At the Career Agency Companies, we are committed to providing our policyholders with the products they need and can afford and to paying claims in a timely manner. In this regard, we are committed to the traditional Home Service Insurance business model. In addition, we are also committed to being good corporate citizens by serving the communities where our policyholders live and work.

Trust

Our relationship with our policyholders is based on trust and the integrity of our organization and all our employees. We strive to earn our policyholders trust and are committed to fulfilling all the promises we make.

About the Career Agency Companies

The Unitrin Career Agency Companies consist of United Insurance Company of America, The Reliable Life Insurance Company, Union National Life Insurance Company, Mutual Savings Life Insurance Company and their affiliated fire companies. Together, they form the largest part of the Life and Health Group of Unitrin, Inc.

As a group, the Unitrin Career Agency Companies comprises one of the top 100 life insurance companies in the United States. Employing a field force of over 3,100 people in 25 states and the District of Columbia, the Career Agency Companies provide personalized service to customers in their homes and offer tailored, affordable insurance products for individuals and families in the lower and moderate income market. An administrative office team of 400 associates, located in St. Louis, Missouri, supports the efforts of this field force.

With over 4.9 million policies and 37.5 billion dollars of insurance in force, the Unitrin Career Agency Companies represent one of the largest and most successful home service insurance organizations in the United States. We are committed to our customers, community and employees and are proud to be a leader in the insurance industry.

Community Service

The Unitrin Career Agency Companies are committed to fulfilling their role as good corporate citizens by giving back to the communities they serve. The goal of our corporate social responsibility program is to improve the quality of life for citizens through a number of company programs and initiatives, including the Community Trust Bank Program; company college scholarships through the United Negro College Fund, Reliable's Hispanic Scholarship Program, and the general United Way Campaign.

Community Trust Bank Program

The Community Trust Bank Program provides a monetary endowment to each participating district office for use in supporting a local community service program, charity or project of the district's choosing. Several Home Office teams also participated in the St. Louis area.

One of the few guidelines in choosing an organization is that the organization or activity chosen must provide a service or assistance to persons considered part of our customer base.

The group chosen must provide evidence of being a 501 c(3) (tax exempt) organization and actively involved in the community. The district's gift must be used for a specific program activity, and not for salaries or fringe benefits. In addition to providing this financial support the district must perform **a minimum of 20 hours** of volunteer service in the community in which they are making the donation.

Throughout the years, the Community Trust Bank Program has assisted approximately 2000 organizations and has donated over \$1,250,000 back into the communities the Unitrin Career Agency Companies service.

"Your contribution is an investment in St. Louis children and their families and we thank you for embracing our mission. Again, thank you for your generosity"

**- Jama Dodson
Executive Director of Family
Support Network, St. Louis, MO**

"On behalf of the staff, Board of Directors and victims of domestic violence, your support and generosity to Harriet's House are very much appreciated."

**- Susanna Smith-Naisbett
Executive Director of Harriet's House Inc., Demopolis, AL**

"Though the economy has created an even greater challenge for Harvest Hope, we remain committed to our mission to feed our hungry neighbors and confident that our community will support our efforts. Thank you again for your support."

- Denise R. Holland
CEO of Harvest Hope Food Bank, Columbia, SC

"Grateful thanks for your support of Operation Food search last year. You have personally made a difference in the lives of families and children in need."

- Sunny L. Schaefer
Executive Director of Operation Food Search, St. Louis, MO

"We at the Battered Women and Children's Shelter will be forever grateful for your generosity."

- Marta B. Pelaez
President/CEO OF Family Violence Prevention Service Inc., San Antonio, TX

"The financial assistance that you provide is critically important in allowing us to continue helping those who have lost their voice in our community. We very much appreciate your support."

- Joyce Ann Brown
President/CEO of MASS, Dallas, TX

"It gives me great joy to know I work for a company that gives back to my local community. In the future, I hope we can continue to contribute and put smiles on the faces of the children. After all, the children are the future of the world."

- Daniel Savoie
District Manager, Baton Rouge #01
about The Y.M.C.A

"Thank you for being part of a community based solution that brings hope to individuals who are children today, but tomorrow will be our neighbors and leaders."

- Janet Ketcham
Executive Director of CASA, San Antonio, TX

Scholarship Programs

The Career Agency Companies recognize the importance of a college education and know that today's youth are tomorrow's leaders. We are proud to sponsor two scholarship programs for the children and grandchildren of our policyholders. Congratulations to all of scholarship recipients to date, and we look forward to helping more young people realize the dream and goal of graduating from college.

UNCF

In conjunction with the United Negro College Fund, The Unitrin Career Agency Companies have established a scholarship program for college-bound high school students of our policyholders. Through the Career Agency Companies, the UNCF scholarship program has awarded 102 scholarships to college bound students of our policyholders totaling \$510,000.

Qualifying students of our policyholders must either attend or plan to attend either a UNCF institution or a Historically Black College or University (HBCU). The funding of the scholarship program is provided by a combination of employee contributions and corporate gifts.

Hispanic

The Reliable Life Insurance Company has established a scholarship program benefitting students of Hispanic heritage.

Each year since 2003, The Reliable Life Insurance Company has awarded a total of \$35,000 in scholarships to college-bound high school students of our policyholders.

"I am eager to pursue a college degree that will enable me to grow physically, mentally and spiritually and I believe that the proper education and experience can make a big difference."

"I would be very appreciative of any scholarship that comes my way because it would help me overcome my financial challenge in attending college."

"I plan to better myself and do something with my life."

"Receiving a college education and allowing it to open up more doors for my future is very important to me."

United Way

Every year the Career Agency Companies partner with the United Way and conduct campaign drives within the companies. Home Office and field employees are encouraged to participate in this worthy cause by attending one of many campaign meetings or by making a donation. Every dollar donated by a Home Office employee is matched on a dollar-for-dollar basis by company contributions. Support your local United Way chapter by visiting www.unitedway.org.
